

Nordic Aero Expo

12 - 13 July 2014 | Eslöv Airport | Sweden

Eslöv 3:d of March 2014

INVITATION to the Nordics largest Air Fair

We as the organizer has the pleasure to invite you, your flying club and other aviators to our annual aviation event for the Nordic countries .

Nordic Aero Expo Air Fair, goes this year on the 12 to 13 of July at Eslövs airport ESME.

Please take the now opportunity to visit the largest and only real Air Fair for the Nordics. We have invited all the leading manufacturers, suppliers, and dealers from the Nordic countries and a few others from northern Europe. Exhibitors will then have the opportunity to demonstrate and showcase their aircraft , avionics, radio/transponder and other equipment. The Air Fair area is fenced and closed for the public, which requires that you have a ticket to enter the Expo. We offer entrance ticket for free if you register on our website and in our ticketing system . It's to book the ticket on our website under the tab **Book your ticket**. For those who want to visit the fair without registering it's possibility to buy a day ticket on-site. A day ticket costs about 18 EUR per person and day.

Please visit our website to learn more about the Air Fair and how to get there by different means of transport, and there are also Fly In information if you get there by your own private airplane.

On our website, we regularly publish news and information about all exhibitors and manufacturers who will participate at these fantastic exhibition days in July.

All information can be found on our website: **www.nordicaeroexpo.eu**

We appreciate if you would like circulate this invitation within your club , to other pilots and other flying enthusiasts.
